Smart Preparation Plan

STEP	WHAT TO DO
1. Confirm	Download and read the latest official UPESSC notification and subject-wise syllabus.
2. Divide	Split the syllabus into small weekly targets for your chosen teaching subject and GS.
3. Practise	Solve topic-wise MCQs and previous papers where available; review every incorrect answer.
4. Revise	Maintain short notes for dates, formulas, definitions, constitutional facts and current affairs.
5. Mock Test	Practise timed mock tests and analyse accuracy, speed and weak areas.

OFFICIAL INFORMATION CHECK

Before applying or preparing from a fixed pattern, verify the notification, subject-wise syllabus, number of questions, duration, negative marking and any updates on the official UPESSC website: **upessc.up.gov.in**.
